Sir:

Enclosed is a completed Certificate of Correction form. Please issue a Certificate of Correction showing the correct spelling of inventor Isobe's name.

Mr. Isobe's name is spelled correctly in all documents appearing in the file wrappers of this application and its parent application (now US Patent No. 6,731,509), and is spelled correctly on the Official Filing Receipt. Accordingly, the source of the misspelling is unclear, but appears to have occurred within the US Patent and Trademark Office during the printing of the patent.

Since the Certificate of Correction is necessitated by an error on the part of the Patent Office, no fee is deemed necessary. However, the Commissioner is hereby authorized to charge additional payment due or to credit any overpayment, to Deposit Account no. 50-4888.

Respectfully submitted,

BRUNDIDGE & STANGER, P.C.
